

NEIGHBORHOOD FARM SHARE APPLICATION- BUFFALO

Participants in the NOFA-NY Neighborhood Farm Share program receive up to a \$100 reduction in cost for share from a local farm. The participant pays the remainder of the cost of the share. Participants who do not need a full \$100 reduction in the share cost are invited to pay as much of the cost of the share that they are able.

A completed application to the NFS program includes both this application as well as an application to the participating CSA/farm. Attached is a list of participating farms, distribution sites, and pricing.

There is a limited amount of subsidies, which will be given on a first come, first serve basis. We encourage you to return your application before the deadline of May 15th, 2017.

I affirm that the income of my household is at or below the income guidelines in the chart below. Yes No

I also affirm that I cannot be claimed as a dependent on anyone else's tax return.

OR

The income of my household is not at or below the income guidelines in the chart below, but I am joining the program to help create a new distribution site.

Location of new distribution site:
